

La Cosmopolita

S&C

Discover the new epicenter for corporate events in Malaga! This space has arrived to transform the social scene since its opening in early July next to the port area of Malaga. With an elegant and cozy style, it integrates perfectly into a seaside setting, offering a perfect location for corporate events of all kinds. With a terrace that offers stunning panoramic views, La Cosmopolita provides a sophisticated and relaxed atmosphere for your events. Make your events extraordinary at this new venue in Malaga!

The rehabilitation of the famous semicircular canopy that occupies much of the elevated terrace, overlooking the sea, has been one of the highlights of the project at the urban level, to which other structures for shade have been added, with a groundbreaking design. In addition, iconic elements of the space, such as the wrought iron chairs on the terrace, have also been recovered and preserved.

With a capacity for up to 550 people in cocktail format and 350 for banquets, this space adapts to any occasion. In addition to its outdoor space, La Cosmopolita has an indoor lounge with a capacity for 200 pax, making it a versatile venue with multiple options.

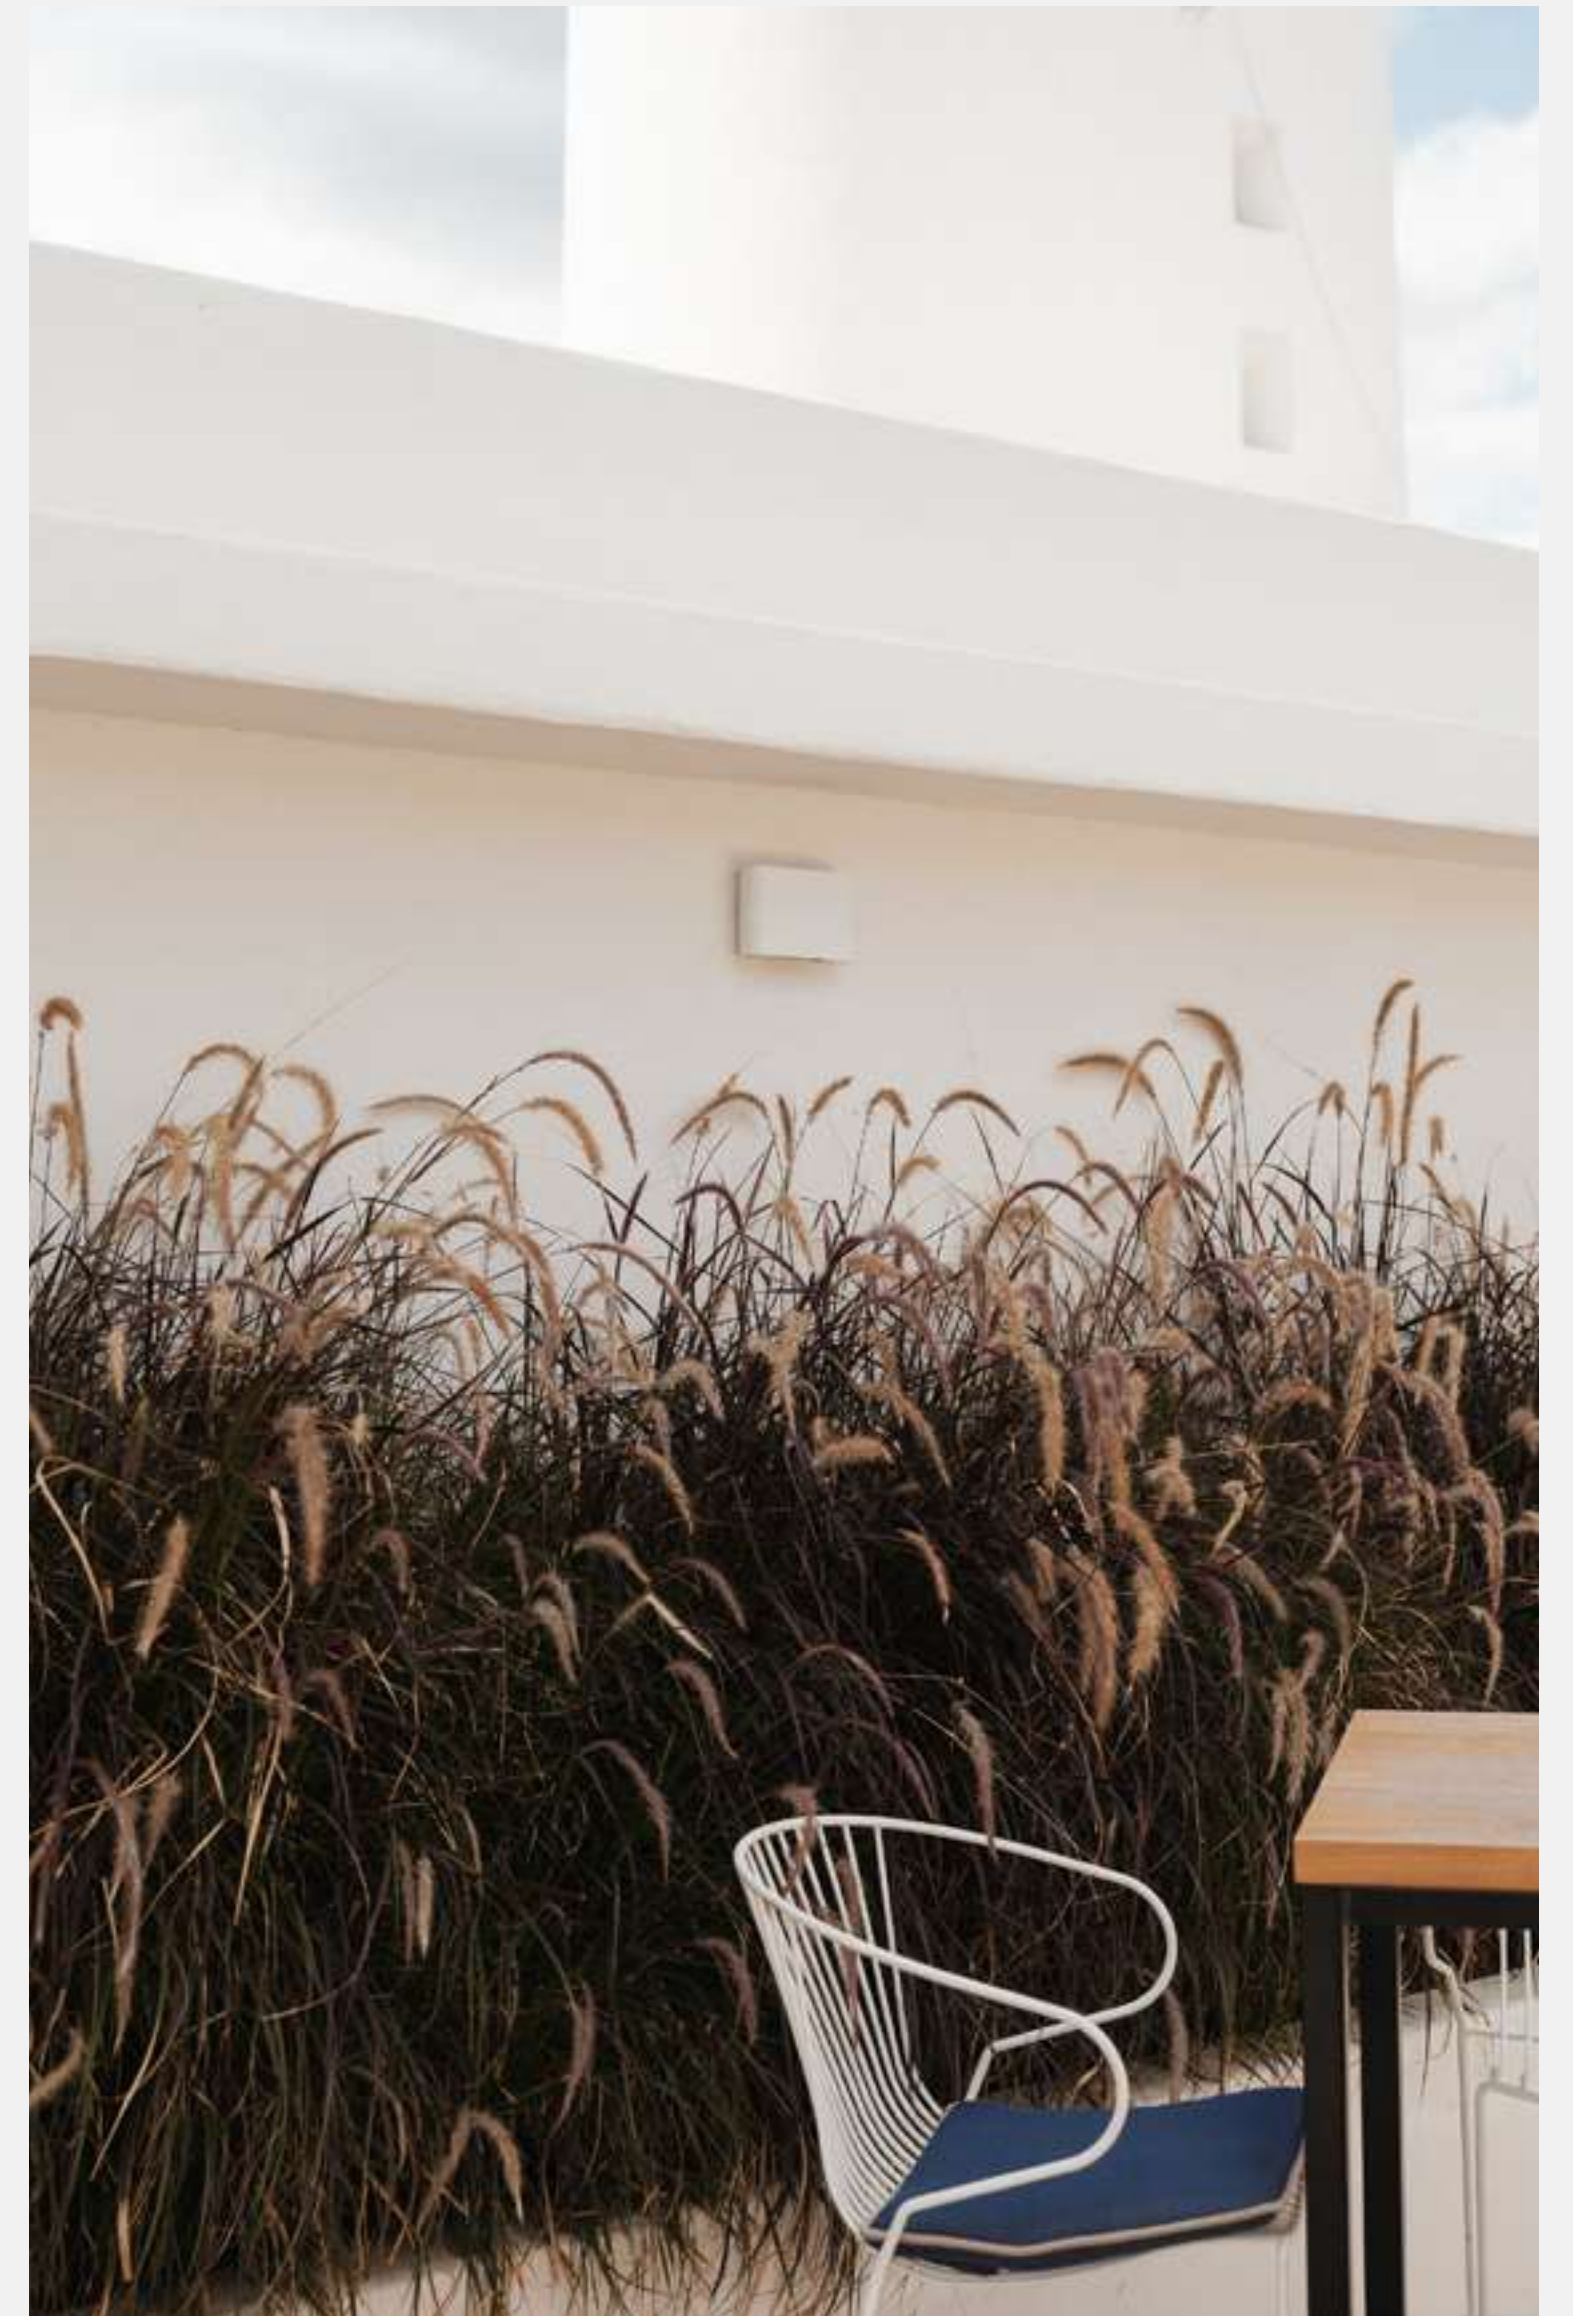

Furthermore, its commitment to sustainability, highlighted by the sustainable production seal of Malaga, makes it a conscious choice for your events both day and night, which also seek to immerse themselves in that sophisticated and relaxed atmosphere by the sea.
